

The Truth-in-Savings Act (TIS) is a section of the Federal Deposit Insurance Corporation Improvement Act of 1991. The National Credit Union Administration is charged with enforcing this Act which applies to all Credit Unions.

The purpose of TIS is to promote and simplify comparisons among accounts at all financial institutions. TIS enables consumers to make informed choices/comparisons among competing claims of financial institutions by requiring disclosure of the interest rates payable on these accounts and the fees assessable against these accounts.

It is the intent of Ohio HealthCare Federal Credit Union to maintain compliance with this federal law pertaining to disclosure of the terms and conditions of all savings programs. The following disclosure information illustrates the various savings alternatives available to members of Ohio HealthCare Federal Credit Union.

The Rate Schedule sets forth certain conditions, rates, fees, and charges applicable to your accounts at Ohio HealthCare Federal Credit Union. The Rate Schedule is incorporated as part of this disclosure. If you have any questions regarding any of the accounts offered at Ohio HealthCare Federal Credit Union, please call a member service representative.
